

INTERNATIONAL SPEAKER AT WOMAN'S CLUB MEETING OCT. 26

Frankfort's Bowling League Officers

The Frankfort Women's Bowling league will open their season Tuesday afternoon, October 26 at 2:00 p. m. on "Democracy vs. Communism—The New Challenge." The meeting will take place in the Tinsley Park Methodist church.

Miss Ernestine is a leading authority on "Communism" and world affairs for the Illinois Federation of Women's clubs. An ex-newspaper reporter, she has travelled widely in the United States, Europe, Canada and Mexico. She has interviewed the leading refugees from Soviet satellite countries in New York and Washington, as well as many leaders of the Russian revolution of 1917 including Dr. David Dallin, and others.

She has gathered important new facts from "Behind the Iron Curtain" from these D.P.'s and Ex-Soviet citizens and has done considerable research on "Communism"—all from Russian sources.

In her talk, Miss Ernestine will reveal why there is an iron curtain around the USSR and its satellites, and why the Soviet republics do not need the Marshall Plan aid.

"The Russian people are violently anti-Communism," Miss Ernestine states. "During the war 10,000,000 fled from the Soviet Union. If we will 'expose Communism' with truthful facts, we can win the cold war and stop a fighting war."

Miss Ernestine has attended the Northwestern School of Journalism, and the University of Chicago. She has written freelance for The New York Times, Washington Post and other national papers and magazines. She was a reporter for the South-east Economist and Community News, and other Chicago papers. She is now writing a book on "What About Communism?" for a national publisher, in which she will use many of the same facts she will present Wednesday at the Tinsley Park Woman's club.

She has just returned from a tour of New York state where she has presented this same lecture to leading clubs of that state. The Tinsley Park Woman's club invites anyone interested who would like to hear this timely lecture to attend.

At 9:12 p. m. a short business meeting was held with routine reports given. Mrs. Walter Hamilton announced the Homemakers will meet Oct. 20 in the home of Mrs. Kellogg when the topic will be Fall Hats, and desert coffee will be served at 1:30.

A Going Concern!

The planned programs and projects give credence to the growing realization that the Mokena PTA is a profitable organization. At every meeting, each one attending is paid a dividend in the form of satisfaction derived from an evening well spent.

As an example, we defy anyone to attend the next meeting, to be held Tuesday evening, October 25 at 8:00 p. m., in the Mokena school auditorium, and to listen to Mrs. Allen W. Davies' review of the book "Cheaper by the Dozen," and then to go away saying it was not a profitable evening!

The book is a rib-tickling rib-tickler and headed the best seller list for months.

Mrs. Davies is well known here, having formerly taught in the Mokena school and being occasionally recalled for one of her inimitable reviews.

The Sugar Foot Minstrels, to be presented November 4th and 5th, promises to be a most interesting and entertaining program. The chorus, under the direction of Mrs. Hugo Niethammer, brings together some of the finest voices in this area. There will be good specialty acts also.—Lyman Teague, publicity chairman.

At the last regular meeting October 13, 1949, other than the regular transaction of business, Ernest Edwards took the obligation. Comrade Edwards has been a member of the Post for some time while he has been in the service.

Comrade Robinson is counting on every lady in the auxiliary to be present and then too there are some ladies who do not yet belong to the auxiliary who are invited to attend. MEETING SHOWS WE WERE RIGHT

Last weekend we were privileged to attend the 84th annual meeting of the Illinois Press association at Decatur. We, together with some 160 odd publishers and their wives from all over the state, had some real interesting discussions.

During the meeting Friday morning, our fellow publisher, Lowell Nye of the Harvard Herald, brought up a subject that is right close to home. Mr. Nye stated that in publicizing an American Legion celebration not so long ago in that city, he made the mistake of stating in an advertisement for the affair of putting in the words "Grand award—a new car."

Shortly after that issue was mailed out to subscribers he was visited by a postal inspector who stated that Mr. Nye's mailing permit was in jeopardy, and he had to sign an affidavit that he would not again run anything that would advertise in any way something that was awarded by chance. We discussed the possibility of having that postal law modified—but until it is—the law stands as it is.

Never a week goes by but what we have to explain that we can not put anything in advertisements or in reading matter, referring to drawings. Folks just don't seem to understand that by asking us to give publicity to the various raffles and drawings, that they are asking us to place the newspaper in the position to have our mailing permit cancelled.

In refusing to publish matter of this kind, it certainly isn't because we don't want to see the affair go over, but that we don't want to jeopardize our mailing permit—for without that we could not mail you your paper.

Yes, we still have freedom of the press, but we publishers must adhere to the laws governing newspapers, which is a protection to readers.

20-COW Barn in 10 MINUTES!

FLIP A SWITCH . . . SAVE AN HOUR A DAY

Save at least an hour a day over hand shoveling . . . and you save your money. A twenty-cow herd produces over HALF A TON of manure in twenty-four hours. Save all that time and labor with a Jamesway "shuttle stroke" Barn Cleaner.

This cleaner is entirely different from any other. There are no chains, sprockets or other messy plunder in the gutter mechanism. Just a smooth drive rod with streamlined paddles attached. The Jamesway Barn Cleaner can be used in barns where the gutters are of uneven length, in single gutter barns or two or more gutters. No cross gutters are needed.

The outside conveyor and elevator dump the manure directly into spreader. You simply snap a switch, go on about your other chores and in a matter of minutes the job's done. We'll be glad to give you an estimate on a Jamesway "Shuttle Stroke" Barn Cleaner for YOUR barn. Better investigate soon.

Trust God

Lesson for October 23, 1949

SHOOTING WARS and cold wars were going on. A great whirlpool of international intrigue was roaring around and around, and Judah was in the midst of everything. The star of the once-great empire of Egypt was setting, and the star of the new and powerful nation of Assyria was rising. Judah was only one of 20 or more little countries between those giants. Some of the little nations were trying to take advantage of the disturbed situation by getting up little empires of their own. All of them were scheming and scrambling for a place in the sun. Some were betting on Assyria, some on Egypt; no one knew just what to expect, but every one was afraid.

Dr. Foreman

Cowardly King, Bold Prophet

INTO ISAAH'S little country of Judah an invading army was marching, and the hearts of king and people trembled "like leaves in the wind." Little Judah was being invaded by a combination of two ambitious powers, Syria and Israel, either one larger and stronger than Judah. Isaiah had to go out and try to calm the mind of the king. It was of no use; it was clear that King Ahaz did not believe the prophet. But Isaiah was right nevertheless.

The foreign army that looked so big would not win the war. The alliance that looked so frightening did not last. It could not last, because God was against it. Military men and others too find such things hard to believe.

Is not God "on the side of the largest battalions"? Is not "Githar fustest with the mostest men" the one and only recipe for victory? Nevertheless, the prophet was right. In fact, whenever a prophet raised a banner inscribed, **Trust in God**, it was not likely to be at a time when things were going smoothly in the world. That banner most often appeared in times of trouble, of darkness and dismay, of wars and invasions.

Leagues Don't Always Last

The situation had a different angle, later on. The Syria-Israel invasion collapsed, just as Isaiah said it would. But still the little nations jockeyed and maneuvered. It looked like a death-grapple between Assyria and Egypt, and every nation wanted to be on the winning side. So it was a great time of treaty-makings, of pacts and agreements and alliances.

Isaiah changed the form of his message to suit the changing times, but the core of it was still the same. To King Ahaz he had said: Don't be afraid of hostile alliances; trust in God. To King Hezekiah and others he said, in effect: Don't put all your hope in alliances; trust in God. Egypt will fail you, any alliance you form will melt away in time.

But God will not melt away. You can depend on him. Now in our time the situation is strikingly like what it was in Isaiah's day. People today are tempted to put their trust in what is big and imposing. Big nations, big armaments, big armies, big alliances.

Men once put their trust in the League of Nations, and it died (of cowardice and dishonesty, among other things). Millions put their trust in the Axis, and for awhile it looked as if the Axis powers would overspread the earth. But the Axis vanished under the blows of the Allies.

Are All Alliances Bad?

THIS does not mean that no alliance is good, or that no treaty can be relied on, or that the United Nations (for instance) is bound to collapse. What Isaiah is driving at is this: God has a Purpose to work out in this world, and the name of it is Justice, Righteousness, Peace, Love.

Any nation or combination of nations, any pact or agreement or program, that goes against God's purpose is going against the grain of things and is bound to fail. Pure "power politics" always looks impressive; but the question is: What is the power going to be used for?

If it is really for the benefit of mankind, God will bless it; but if it is selfish and unjust and against the peace of the world, it will fail, because the God of Justice has set his face against it.

Letters to the Editor
YOUR PTA INVITES YOU
BECOME AN ACTIVE MEMBER
Adlai E. Stevenson, Governor of
Illinois, has proclaimed this month
of October as Parent-Teacher Month.
He says in part:

"The large and growing member-
ship of this organization is striv-
ing diligently to promote sound
practices in the field of public
school education. This worthy work
deserves public recognition."

This proclamation by the Gov-
ernor of our State points out the im-
portance of the work of the PTA
throughout the nation. Truly there
could be no purpose more pressing
for the future of our community,
our state and our nation than those
outlined in the aims and objects of
the Parent Teacher Association:—
"To promote the welfare of children
and youth in home, school, church
and community."

The Mokena PTA appreciates the
full urgency of this challenge and
will place all its strength behind
these aims. But while doing this im-
portant job, we intend to mix with
our work a good measure of fun,
entertainment, enlightenment, mu-
sic and just plain good fellowship
and good-neighborliness.

Membership in the PTA is not

confining to Parents and Teachers.
It takes in everyone who is interest-
ed in our younger generation—and
that, we are sure, includes YOU!

Frankfort, Ill.
Bobzin-Swinford Post 1098

The Bobzin-Swinford Post 1098 of the American Legion of Frankfort, Illinois held their regular monthly meeting in the Frankfort Village hall Monday evening, October 10. Committee reports were as follows: The dance committee reported favorable news in that they were successful in obtaining an orchestra for a dance to be held Saturday, October 29. Annual party to be held each year to raise money for "Gifts for Yankee who Gave" Christmas fund, will be held in the new A. C. Baugh establishment, November 17.

In behalf of the 11th District Commander Roy Hemphill, Commander Russell Carroll, Past-Commander Howard Omsus a Legion shirt in appreciation of past services and being the Commander of the first Post in the 11th District to reach 100 percent membership for 1949.

Latest news item from the Illinois Veterans Commission states that all Veterans who desire to participate in educational benefits of the GI Bill of Rights should make application before November 1, 1949.

Under a new ruling of the Veterans Administration, effective on that date, veterans who have plans to use their educational benefits will have to give "complete justification" in order to do so.

Many veterans who have finished satisfactorily a course of study and desire additional training are affected by the ruling as well as those who have temporarily interrupted a course of study.

The VA ruling has made it necessary, effective November 1, for veterans to prove that education at the expense of Uncle Sam is necessary in connection with present or contemplated business or occupation.

Courses entered into prior to November 1, will not be affected by the VA ruling.

For those Veterans who desire assistance or advice on the changes and new ruling the Service Officer of the Illinois Veterans Commission of Will county is M. Harrison and his office is located at 12 Webster street in Joliet.
